

<	Heading	Monthly Trend	Sales By Region	Sales By Category	Top 10 Products	Profit Vs Sales	Key Insights	>
---	---------	---------------	-----------------	-------------------	-----------------	-----------------	--------------	---

1. Monthly sales show Q4 peaks — strong holiday season.
2. West region leads in sales, but South has best margins.
3. Technology category dominates profitability.
4. Top 10 products drive over 30% of total sales.
5. Several high-sales items have negative profit → pricing review needed.
